

Creating a Vision of Your Future

Description:

Experience an engaging class which will help you close the gap between where you currently are and where you want to be in the future. Creating a vision is the first step in achieving the life you want. This class will help you get clear on where you are and more importantly, learn how to get to where you want to go.

Objectives:

After completing this class, you will know why most people struggle to create change in their life and how to overcome this. You will also learn how to create a vision for yourself, create a plan and achieve your goals.

- Assess your current state
- Identify opportunities and threats
- Determine strengths and weaknesses
- Clarify your “Vision”
- Identify your core beliefs “Values”
- Establish your approach to success “Plan”
- Set short term and long term Goals
- Learn why most people never accomplish their goals, so you don’t make the same mistakes

Creating a Vision of Your Future

Who should attend?:

This program is for EVERYONE! Everyone needs to have a vision of their future. You may have heard the phrase “where there is no vision, the people perish”. Well, where there is no vision for your future, your life will not change. If you want to do more, be more, have more and give more, this class is for you!

Why should you take this class?:

The concepts taught in this class are what all successful people use in order to live life on their terms. Most people are just letting life happen to them. This class will shift your thinking so you make life happen FOR you!

- Did you know that most people live a similar life as their parents. Generationally, not much changes.
- Did you know that unless you create a vision for your future, you will continue to live in the past?
- Are there things that you have always dreamed of doing, but find yourself NOT doing them?
- Have you ever wondered “why can’t I achieve my goals?”
- Is your inner story serving you or dis-serving you?
- Is fear holding you back from living an extraordinary life?
- If you answered “yes” to the previous 5 questions, this class is for you!
